Gentlemen:

I wish to respond to the trustee's position in establishing investor losses in the Bernard Madoff case. If Mr. Picard's argument is allowed to be followed, in effect, it will be an end to SIPC protection for investors. This *has* to be considered a disastrous situation for the individual, directly contrary to Congress' intent to protect innocent investors and to promote confidence in markets. It should be considered no better than if the FDIC refused to pay innocent depositors because it turns out that their banks were insolvent and were defrauding them all along. SIPC has refused to pay people who honestly believed they had earned money in their accounts and who withdrew earnings, and SIPC has based its refusal on the fact that the earnings were fake, just as the monies credited to and/or withdrawn from what turned out to be a fraudulent bank turned out to be fake. It is my opinion that the trustees position has been taken due to the fact that SIPC does not have the funds accumulated to be able to pay these claims. The banks and/or Congress need to fund SIPC in order to cover our losses.

All of Mr. Picard's arguments ignore the responsibility for this fraud by the SEC. As far back as 1999, Mr. Harry Markopolos was warning the SEC that the earnings being shown by Mr. Madoff were mathematically impossible. Goldman Sachs as well as many other firms were refusing to do business with Madoff. They smelled a rat and so should have the SEC. Earlier investigations date back to 1992. Nothing resulted from these so called investigations and nothing was done to warn the public. My investments grew from \$190M in 1992 to over \$750M when Madoff collapsed. The SEC did not carry out their sworn duties to protect investors and me, and so many others, lost everything. We had a legitimate belief, based on our monthly statement, that securities were being bought and sold on our behalf. Evidently so did the SEC. To now say that we are not entitled to protection under SIPC is a gross miscarriage of justice.

I believe that the value of my account is that which was listed on my Nov. 30th, 2008 statement. Mr. Picard's argument, that all monies withdrawn are simply a return of capital ignores the time honored concept, that money is invested to gain a return. Using the trustees chart of my investments from Dec. 1992 to the present, and using an interest return of only 4%, my investments would have earned approximately \$200,000. Another consequence of this concept is that my earning going back beyond 1992 were reported as INCOME to the IRS and I paid taxes on all of this. If taken properly into

Yolanda Greer

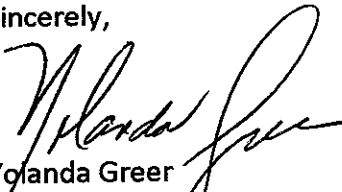

Page 2

consideration, this would have significantly reduced the true value of my withdrawals. The trustee has referred to my claim a \$23,446. This only represents the Money Market in my account. The total amount of the claim is \$777,000 as stated on page 2 of my claim.

Lastly, even if the court accepts the trustee's concept, it ignores that \$270M was invested beginning 1/1/2007, and that these funds only were partially returned by the withdrawals after that date. I am enclosing a work sheet which establishes how much of these earnings can be attributed to the \$270,000 investments. I still feel that the \$500M coverage should apply. However, at the least, the coverage of the \$270,000 reduced by the proportionate amount of \$33,500 for a net of \$236,500, should be covered by SPIC.

Thank you for your consideration.

Sincerely,

Yolanda Greer

In Liquidation

DECEMBER 11, 2008¹

NOTICE OF TRUSTEE'S DETERMINATION OF CLAIM

October 19, 2009

Yolanda Greer Trust U/A 9/1/93
Yolanda Greer, Ttee
9486 Lantern Bay Circle
West Palm Beach, FL 33411

Dear Yolanda Greer:

PLEASE READ THIS NOTICE CAREFULLY.

The liquidation of the business of BERNARD L. MADOFF INVESTMENT SECURITIES LLC ("BLMIS") is being conducted by Irving H. Picard, Trustee under the Securities Investor Protection Act, 15 U.S.C. § 78aaa et seq. ("SIPA"), pursuant to an order entered on December 15, 2008 by the United States District Court for the Southern District of New York.

The Trustee has made the following determination regarding your claim on BLMIS Account No. 1ZA306 designated as Claim Number 000049:

Your claim for a credit balance of \$22,346.00 and for securities is **DENIED**. No securities were ever purchased for your account.

Further, based on the Trustee's analysis, the amount of money you withdrew from your account at BLMIS (total of \$1,154,968.43), as more fully set forth in Table 1 annexed hereto and made a part hereof, is greater than the amount that was deposited with BLMIS for the purchase of securities (total of \$1,053,000.00). As noted, no securities were ever purchased by BLMIS for your account. Any and all profits reported to you by BLMIS on account statements were fictitious.

¹ Section 78111(7)(B) of SIPA states that the filing date is "the date on which an application for a protective decree is filed under 78eee(a)(3)," except where the debtor is the subject of a proceeding pending before a United States court "in which a receiver, trustee, or liquidator for such debtor has been appointed and such proceeding was commenced before the date on which such application was filed, the term 'filing date' means the date on which such proceeding was commenced." Section 78111(7)(B). Thus, even though the Application for a protective decree was filed on December 15, 2008, the Filing Date in this action is on December 11, 2008.

Since there were no profits to use either to purchase securities or to pay you any money beyond the amount that was deposited into your BLMIS account, the amount of money you received in excess of the deposits in your account (\$101,968.43) was taken from other customers and given to you. Accordingly, because you have withdrawn more than was deposited into your account, you do not have a positive "net equity" in your account and you are not entitled to an allowed claim in the BLMIS liquidation proceeding. Therefore, your claim is **DENIED** in its entirety.

Should a final and unappealable court order determine that the Trustee is incorrect in his interpretation of "net equity" and its corresponding application to the determination of customer claims, the Trustee will be bound by that order and will apply it retroactively to all previously determined customer claims in accordance with the Court's order. Nothing in this Notice of Trustee's Determination of Claim shall be construed as a waiver of any rights or claims held by you in having your customer claim re-determined in accordance with any such Court order.

Nothing in this Notice of Trustee's Determination of Claim shall be construed as a waiver of any rights or claims held by the Trustee against you.

PLEASE TAKE NOTICE: If you disagree with this determination and desire a hearing before Bankruptcy Judge Burton R. Lifland, you **MUST** file your written opposition, setting forth the grounds for your disagreement, referencing Bankruptcy Case No. 08-1789 (BRL) and attaching copies of any documents in support of your position, with the United States Bankruptcy Court and the Trustee within **THIRTY DAYS** after October 19, 2009, the date on which the Trustee mailed this notice.

PLEASE TAKE FURTHER NOTICE: If you do not properly and timely file a written opposition, the Trustee's determination with respect to your claim will be deemed confirmed by the Court and binding on you.

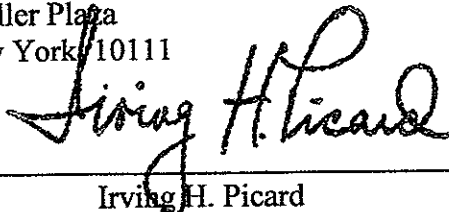

PLEASE TAKE FURTHER NOTICE: If you properly and timely file a written opposition, a hearing date for this controversy will be obtained by the Trustee and you will be notified of that hearing date. Your failure to appear personally or through counsel at such hearing will result in the Trustee's determination with respect to your claim being confirmed by the Court and binding on you.

PLEASE TAKE FURTHER NOTICE: You must mail your opposition, if any, in accordance with the above procedure, to each of the following addresses:
